About Me

• About me

I'm Clement, a passionate full-stack web developer with a strong focus on building scalable, performant, and user-centric web applications. I specialize in modern technologies like React, Next.js, TypeScript, and Node.js. I thrive on writing clean, maintainable code and continuously improving through learning and building. When I'm not coding, I explore tech trends, play football, or watch insightful films.

Education

- **Petroleum Training Institute** 2019 - 2024
Petroleum Engineering / Higher National Diploma
- **By Meta through Coursera** Jan.2 , 2024
React Basics
- **By Meta through Coursera** Dec.14,2023
